Report of a meeting of the Organising Committee of the Group (Meeting reference 20120207)

A meeting of the Organising Committee of ATAG was held on Tuesday 7th February 2012, at 194c Bath Road, Atworth. The primary purpose was to finalise the arrangements for the Residents' Meeting planned for 15th (amended to 22nd) February 2012 at 7:30pm at the Neston Park Farm Shop, Atworth.

20120207/1 Present

Paul Escott (Chair), Ruth Griffin, Mavis King (Vice Chair), Lynne Spencer, Kenneth Spencer.

20120207/2 Residents' Meeting

Chair

It was agreed that Kenneth Spencer will chair the meeting in the absence of Paul Escott.

Arrangements

Kenneth will go to the Farm Shop with Ruth a few of days before the meeting to work out the room arrangement. He will also arrive an hour before the meeting starts to set up the projector and the room.

Ruth will speak to Lady Venetia regarding coffee facilities.

It was decided that there should be an acknowledgement of the generosity of Lady Venetia for the use of the Shop facilities.

Publicity

Mavis, Ruth and Lynne will deliver the notice, already produced by Kenneth, about the meeting to residents living along the A365.

Discussion (Item 3)

Kenneth had produced an agenda and an information sheet for the meeting: these items were agreed with minor alterations. Each attendee will have both sheets. It was, however, agreed that there should be a separate voting slip for attendees to hand in. Kenneth will modify the sheets, produce the voting slip and also create slides for the presentation.

What Happens Next (Item 4)

It was agreed that under item 4 'What happens next' the 'Public meeting' should appear before 'Action Sub-groups'.

Public Meeting

It was agreed that this should be in the second week of May. Ruth will enquire if we can have the Farm Shop again free of charge.

20120207/3 Fund raising

It was agreed that we would not give this a high priority until it became vitally necessary. However we will 'put the hat out' on 22nd February and if people wish they can have an ATAG badge when they have made a donation.

Traffic Information

Kenneth mentioned that the Ministry for Transport website gives an enormous amount of information concerning the flow of traffic on the A365, which strenghtens our case.

Telephone Number

It was agreed that Ruth's telephone number would be added to the letterhead as a contact with the email address. Paul may be able to arrange for a dedicated mobile phone.

20120207/5 Next Meeting

We will consider the results of the Residents' Meeting on Monday 27th February, when we will meet at 7:30pm at 194c Bath Road.
